- The property is located in the country's Four Corners Region. The name comes for the Four Corners Monument, the only location in the U.S. that is situated on the boundaries of four states (Colorado, Arizona, New Mexico and Utah).
- The region is nestled amidst towering mountains, a stunning desert, rushing rivers and pristine forests. Nearby activities include whitewater rafting, mountain biking, fly-fishing and horseback riding.

- All rooms feature flat panel HD televisions and free wireless Internet access. Microwaves, refrigerators, coffeemakers, hairdryers, irons, and ironing boards are also provided. There is an indoor pool, fitness center and meeting facility on site.
