Knights Inn Proudly Welcomes A New Construction Addition In Fort Worth, Texas!

The Knights Inn brand just celebrated a new construction project with the opening of its new property in Fort Worth, Texas (pictured to left).

The Fort Worth property is located within a few miles of the Dallas/Fort Worth International Airport. Cowboys Stadium and Rangers Ballpark in Arlington are also just a short distance away. Other nearby attractions include the Fort Worth Convention Center, Texas Motor Speedway, Hurricane Harbor, the Fort Worth Zoo, the Botanical Gardens, the Will Rogers Coliseum and Sundance Square.

All rooms feature free wireless Internet access. Microwaves, refrigerators, coffeemakers, hairdryers, irons, and ironing boards are also provided. There is a business center on site. All guests are offered our complimentary continental breakfast.

"System growth is an indicator of health, and I am happy to report that our brand is extremely healthy," said brand senior vice president Rajiv Bhatia. "In just five years, the brand has increased dramatically from 184 to 331 properties.

"Growth is important for us because it demonstrates that there is a tremendous interest in the Knights Inn brand among discerning owners and developers. As we continue to expand, I look forward to watching Knights Inn properties appear in core and emerging markets everywhere."

EVERY KNIGHT. JUST RIGHT.®
